Officer Assignment: I, Dylan Burnett, am a commissioned police officer in the State of Washington and employed by the City of Marysville, County of Snohomish. I was on patrol on today's date and time, in the area described above, within the city limits of Marysville, in a fully marked police vehicle with emergency lights, siren and decals and in full police uniform complete with badge and shoulder patches.

On the above date and time I responded to the above location for a report of an Assault. Upon arrival I spoke with the Reporting Party who was also the Victim, [REDACTED].

[REDACTED] is an employee at the Smokey Point Behavioral Hospital and was responding to a code on 2N in the seclusion room at about 1000 hours this morning. Employees on scene were attempting to remove the patient's mattress because he kept attempting to rip and tear it apart. Employees were in the room attempting to calm the patient down. The patient, [REDACTED], told [REDACTED] he will be "forgiven for what he's done". As [REDACTED] tried to get him to sit down [REDACTED] said he would if he sat with him. He declined. [REDACTED] sat on the edge of the bed and mumbled to himself then all of a sudden shoved his hand down [REDACTED]'s pants and grabbed his genitalia. [REDACTED] yelled and then grabbed [REDACTED]'s hand trying to pull it out. Other staff members assisted by restraining him. During this process [REDACTED] grabbed [REDACTED]'s shirt and it started to go around his neck, he ripped it at that time to get away. [REDACTED] believes this was premeditated and in good mental capacity because [REDACTED] remembered everything after the incident happened.

I informed [REDACTED] I would forward his case to the Prosecutor for review. [REDACTED] filled out a written statement that will be submitted with my case jacket.
